## MESSAGE FROM THE PRESIDENT

I would like to send out a sincere "Thank You" to all my fellow Tweed Hungerford Agricultural Society members and volunteers. The hard work and dedication that goes into making each Fair, Harvest Festival and Winter Carnival successful is because of all of you.

This year we have had a huge increase in memberships, bringing new ideas and involvement allowing us to secure valuable sponsors to bring a midway back for this year, Gable Brother Amusements. To the numerous businesses, local service clubs, volunteers and the Municipality of Tweed, that continue behind the scenes, your support does not go unappreciated.

I wish that you and your families a healthy and safe summer and we look forward to seeing you all again at the 2024 Tweed Agricultural Fair, July 5th to 7th.

# Here's How.

to create your one-of-a-kind *Design*

Wanting to challenge the traditional white and grey kitchens? How about a hue of blue, or green – a far cry from traditional. These are the new trend today. But how much colour do you add? Do you need a little nudge to create a more muted tone. Nothing vibrant just subtle change. This will add fun and texture, now you need to tie everything together.

Balance your neutrals and bolds. If you want to offset your dramatic colours, lets start with your finishings. Keep your dark tones to make your whites stand out. Staying with a white wash or light wood flooring, slightly textured ceramic floor, will help set off your fixtures. Your sleek and sophisticated finishings are the focus and will draw the eye. New

larger windows will help bring in loads of natural light and boost the vibrance of the room.

Put a new spin on an old mirror with a high gloss lacquer that accents your space.

For many, landscaping can be overwhelming. Add a mix of annuals and shrubs to get that texture and colour. Let us help with great lawn care products, fencing and gardening supplies.
